# Our Invitation

Welcome!

Life Bible Study groups are the heart and soul of our community here at Houston's First Baptist Church in Cypress. In an ever-increasing disconnected society, an LBS group is where we can really get to know others on a personal level. No matter what stage of life you are in you can find a group that will open the Bible, share about life, laugh together, find ways to serve our community, and help each other apply biblical truth to our everyday craziness.

These groups aren't just about learning; they're about sharing experiences, supporting each other through the ups and downs, and finding comfort in knowing you're not alone. Ultimately, LBS groups empower individuals to not only deepen their relationship with God but also build lasting friendships that uplift and inspire them on their spiritual journey. LBS groups will help you connect to our church family in a way that big Sunday services can't quite match.

Thanks for taking the time to look through this brochure to discover the many options that are available. Feel free to check out as many groups as you would like to find the right one. We are excited to help you in this process, as well. Please do not hesitate to contact any of us on staff. We are happy to personally introduce you to our amazing leaders. We are praying for you as you seek biblical community within our great church family.

In Him,

Kevin Phillips

# LIFE BIBLE STUDY

Life Bible Study is the church organized and dedicated to **Gathering** the unchurched and those who haven't discovered Christ while **Growing** believers through life changing Bible Study to become Great Commission Christians, reflecting His love through **Giving** ministry to others.

Milestones is a framework for adult discipleship that extends beyond Life Bible Studies to equip people in a particular stage of life, crisis, or in general discipleship. This is accomplished through semester-long courses, one-time classes, and special events.
