“Becoming the Person God Wants You to Be through Endurance”
2 Peter 1: 5-7 (Acts 18:9-10)

William Barclay: “The word is *hupomone*...usually translated patience; but patience is too passive a word. *Hupomone* has always had a background of courage...It is the courageous acceptance of everything that life can do to us and the transmuting of even the worst event into another step on the upward way.”
