

Q&A?

- **Why is the trip recommending previous Israel travel, membership, and/or done Discipleship Essentials?** The recommendations help keep the trip focused. Israel 2.0 is not "first" a site-seeing trip. (you will see lots of sites!) The trip's focus is on those that want "to go a little slower and a little deeper". We know there are exceptions – just ask us!
- **Can I invite friends?** Yes, if, the friends and family agree to the focus of the trip.
- **Are the pre-trip gatherings Oct 2, Nov 6, and Dec 4 mandatory for the trip?** Yes, and we encourage being there in-person but, we will also provide a zoom and a recorded option for those who cannot be there in-person. The gatherings will provide details, allow for prayer time and help us connect with one another.
- **Is it a requirement to have medical and travelled insurance to go on this trip?** Medical Insurance is required but, travel insurance is your preference. Travel Insurance usually includes medical insurance. We will recommend medical and travel insurance company at our first gathering.
- **Will more details be provided about the trip?** Yes, more details will be provided at our pre-trip gatherings including weather, attire, what to bring, final itinerary,...
- **Is there a minimum and maximum number for the trip?** Yes, the minimum is 25 and the maximum is 54. We want this group to be small enough to connect!
- **What am I responsible for when choosing the ground only package?**
 1. You are responsible to purchase your own flights
 2. You are responsible for ground transportation to join the group when arriving and departing from Israel. We recommend coordinating with the trip itinerary as best as you can.
- **Can I financially help others go on the trip?** Yes, anyone can give to the trip or individuals on the trip, but the donations are not tax deductible
