

Thank you so much for your interest in serving in the Preschool Ministry at Houston's First! Below is a little more information about us and the opportunities we have. Look over it and let me know where you think you might like to serve and where your gifts may be used best.

## We have many opportunities to volunteer:

### Director:

The **director** is the point person in the room. He/she is the face at the door that connects with the parents, helps orchestrate the flow of the class, and prepares some materials. The director serves every week.

### Teacher:

The **teacher** helps prepare the lesson, teaches the Bible story, and connects with children at various centers. Teachers can choose to serve every week or twice a month.

### Heart2Heart:

The **Heart2Heart** volunteer helps the director and teachers in the classroom (birth– 3 year olds) by building relationships and leading at centers. These volunteers serve once a month.

### Desk & Door Connection Team:

The **connection team** is the first face for the Preschool Ministry. These men and women welcome new visitors, assign children to classrooms, and maintain the security of the preschool suite. They serve once a month.

### Heartland:

**Heartland Volunteers** help with PreK and Kindergarten worship. They lead at centers or in small groups. Some men and women may also have an opportunity to help with music. These volunteers serve once a month.

## We do require all volunteers to:
