

Everyone Make a Difference: How to Move Your LBS Member From a Taker to a Giver

Ephesians 2:10

Four Principles of _____ Ministry

In the wonderful work *The Message*, Eugene Peterson says, "The Word became flesh and blood, and moved into the neighborhood" (John 1:14). All of relational ministry is captured in the Incarnation. Written by Bruce Larson

1. Don't teach People about Christ; _____ Christ with people.
2. People support that which they help to _____.
3. Don't give ministry _____ to people; instead, help people discover their _____.
4. Church is for _____.

Christians are not meant to take the place of the Holy Spirit and become super-detectives, ferreting out people's sins and weaknesses and underscoring them. When we employ this kind of strategy, it is no wonder people fail to discover the grace of God in and through us. Our task as Christians is far easier, more exciting, and more rewarding than that. It is to live out a style of life that will allow people to discover their worth, their strength, and their uniqueness, and to communicate how God intends to do with them and for them.
