Ready To Get In The Game?

Visit HoustonsFirst.org and click on the “Get in the Game” button shown here. You’ll be taken to a listing of over 130 opportunities to volunteer! Scan the whole list, or jump straight to a ministry that interests you. Then, complete and submit a brief online form and a team leader will contact you soon!

While every team is taking volunteers, here are some of our particular needs right now. Look for these online or contact the team leader below for more information.

- 1. HFBC Prayer Ministry Team** (Missions & Connection Center). Volunteers will be instrumental in transforming our church into a “House of Prayer” as we will serve in various prayer initiatives. If you have a praying spirit or desire to develop one, we’d love to talk with you! (Becky Parker; becky.parker@hfbc.org; 713.957.5866)
- 2. Can Hope** (Pastoral Care). Volunteers will serve on this cancer support group by encouraging, presenting the gospel, and praying with the sick. (Rick Jones; rick.jones@hfbc.org; 713.957.6760)
- 3. The Happy Camper Team** (Children’s Ministry). Volunteers will help prepare for our Third–Fifth Grade Camp. The Happy Camper Team begins meeting in February and continues to function until July. This would be a great place for parents of Third–Fifth Graders to participate in and have input into our Children’s Camp. (Cindy Pitts; cindy.pitts@hfbc.org; 713.957.7620)
- 4. Campus Guides** (The HUB Student Ministry). A unique opportunity to be placed as a Campus Missionary with the North American Mission Board (NAMB). A flexible schedule is needed for one visit a week to an assigned school and leadership in Wednesday night activities. This position does require approval from NAMB as well. What a great way to invest in students “in their world.” (Doug Bischoff; doug.bischoff@hfbc.org; 713.957.7630)
- 5. Band of Brothers Recon Team** (Men’s Ministry). The Recon Team is commissioned with developing and implementing activities and opportunities for men to connect with one another for fun and encouragement with the end goal being a deepening involvement in Band of Brothers. (Eric Reed; eric.reed@hfbc.org; 713.957.7680)
