HARD HAT CREW

Hard Hat Crew

On Sunday, March 30, the HFBC family will hold its first worship services in the CLC, Fellowship Center, and Chapel, our temporary sites while the Worship Center is being renovated. Just like having your home remodeled, there's a bit of preparation that needs to happen before the professional contractor rings the doorbell. So as our church family temporarily relocates...we need volunteers to help make the transition a smooth one.

Be a part of the...Hard Hat Crew!

Whether you are a heavy lifter or a light loader, an electrician or a carpenter...or just have the ability to open a box, we have a spot for you! Always wanted to work behind the scenes? No problem, media maestros are needed in all three of our temporary worship sites!

Let's build on the rich HFBC tradition of laboring side by side for the Kingdom. As Pastor Gregg has encouraged us, "Each week when we gather to worship and I see your faces, I am reminded that we have not just inherited a great story of faith - we have become a part of it. What you and I do today will impact the generations that come after us."

From building the CLC stage to staging the lights in the Chapel...now is the time to be a part of what the Lord wants to do in HIStory through HFBC.

Go to www.hardhatcrew.org for the details on how you can use your skills to impact HIS Kingdom!
