Be a container for His testimony, being assured of His provision and that you are a part of the chosen priesthood. Keep Him on the throne of your heart.

Spend time in the light of His presence and then show forth His light.

Worship the Lord daily and pray to Him for yourself, others and those in authority.

Enjoy the fellowship and acceptance of His table. Partake of His Word, ingest and digest the "bread of life" and then give it out to those who are hungry.

Cleanse your soul daily letting His Word wash you clean.

Be mindful of His sacrifice in your behalf. He is the Lamb of God.

Present yourself before Him as a living sacrifice. He is the way to be reconciled with God.
