PNEUMATOLOGY 101: PEACE

October 30, 2011 • Pastor Gregg Matte • John 14:27-31

Pneumatology 101 Recap

John 14:15-18 & 26

- Love precedes obedience. – *John 14:15, 21, 23, 24*
- The Holy Spirit indwells believers forever. – *John 14:16*
- The Holy Spirit teaches and reminds us of truth. – *John 14:23*
He does not create new truth but points to existing truth.

- Peace is the presence of Christ not the absence of crisis.
Ephesians 2:17-18; Romans 8:6; Matthew 16:33

- His peace is deep, eternal and cardiovascular.
- The world's peace is rooted in what is seen;
God's peace is rooted in what is unseen.
- Peace is knowing you are right with God.

For further reflection and discussion:

- When have you felt most at peace?
- How is God's peace different than the world's peace?
- How can you trust the Holy Spirit to be your peace?
- What have you learned about the Holy Spirit today or during the Pneumatology 101 series?

WEEK AT A GLANCE

FIRE ALARM FOLLOW-UP

A fire alarm went off during the 11a worship service on Sun, Oct 23. Here is an update:

WHAT HAPPENED

It was a false alarm. There was never a fire, and nobody was ever in any danger.

OUR RESPONSE

Thanks to advance planning and rehearsed drills, the evacuation was quick and orderly—particularly in the Preschool and Children's areas. In the case of a future evacuation event, children can be picked up in their normal locations. Most evacuation events will result in everyone coming back into the building. Children cannot be released while outside during an evacuation.

NEXT STEPS

Staff members are in the process of evaluating our response to the fire alarm and are identifying areas of continual improvement in our emergency procedures.

Thank you to our volunteers, members and guests for working together to ensure that everybody was safe and cared for. It was a beautiful picture of the church being the church, working together as a family!
