THANK YOU!

Dear Family and Friends of HFBC, Faylinn and I want to say thank you so much for the sweet send off to Southlake 117. Thanks for your notes of

encouragement and the generous gifts. We love you guys so much and thank God for you. The month of July brought great joy to us as we remembered all the great things God has done over the past 9 and half years. It was fun to cry, laugh and remember with you. The relationships and times we have lived with you will forever be a part of us. We cherish your prayers in the future as we embark on this exciting time in our life. God bless you and the mighty work God is doing through you.

In the love of Christ.

EVANGELISM EXPLOSION

"EE" Experience

Comments from Level I students 2006:

"...Helped me to have confidence." "...surprised that many people we met during On-the-iob training really did want to hear the presentation of the gospel" "...many believed they had to earn their way to heaven...to see their eyes opened and their hearts relieved...to learn that faith alone in Christ alone...is the key".

"I have learned to be sensitive to those around me...reminded that the Holy Spirit is at work during theses appointments and that the Lord is equipping me with the great tools provided by EE".

"I learned so much by watching my trainer present the gospel and then taking a part in sharing." "... Amazed at how God used us to bring people to saving knowledge"
