Hope for the Ages

First|Worship at Houston's First presents *Hope for the Ages* — a new Christmas album featuring 14 original songs written and performed by worship leaders at our church. Houston's First has committed to giving away 3,000 copies to families affected by Hurricane Harvey, but for every album sold during the month of December, we will give away one more album to another family. Learn more about the project at HoustonsFirst.org, and find *Hope for the Ages* at CornerBooks or on iTunes.
